

# New Hampshire's 2014 Seven to Save

The Preservation Alliance's endangered properties list helps to draw attention and resources to irreplaceable New Hampshire landmarks. Listing provides a range of technical and financial support and helps attract roll-up-your-sleeves help for local advocates and their preservation projects.

**Thanks to our sponsors:** The Lewis Family Foundation; Anagnost Investments; Ian Blackman, LLC Restoration and Preservation; Milestone Engineering and Construction, Inc.; Christopher P. Williams Architects, PLLC; HEB Engineers, Inc.; Lavallee/Brensinger Architects; Ned Tate, Tate & Foss Sotheby's; TMS Architects; Preservation Company

**Watson Academy, Epping** This rare Queen Anne style school building needs town support for a simple plan to address damage caused by a minor earthquake. Sandy Goodspeed, 734-2799, [sandygoodspeed@comcast.net](mailto:sandygoodspeed@comcast.net),

**Hill-Lassonde House, Manchester** This vacant bank-owned Italianate style home, opposite a city park, is highly vulnerable; without a new owner and investment it may fall victim to arson or demolition. Michael Duffy II, [mduffyII@comcast.net](mailto:mduffyII@comcast.net), 603-493-4055.

**Poore Family Farm, Stewartstown** Needs more support to preserve its early house and barn and fulfill its potential as a place to learn about life on a farm without electricity, plumbing, or other modern conveniences. Rick Johnsen, 237-5500, [rick@PooreFamilyFoundation.org](mailto:rick@PooreFamilyFoundation.org),

**Kimball Lake Cabins, Hopkinton:** A Depression-era lakeside resort with four remaining log cabins, closed since the 1980s; now owned by the town of Hopkinton which seeks support for rehabilitation and new community uses. Jim O'Brien, [jim\\_obrien@tnc.org](mailto:jim_obrien@tnc.org), 856-5378.

**Neighboring Town Treasures: Bradford Town Hall:** Iconic landmark now vacant pending voter-approved funding for upgrades that would meet current codes and allow reopening of the second floor hall for community use. Sonny Harris, selectman, [sonny@countryhousesre.com](mailto:sonny@countryhousesre.com), 568-8059.

**Washington Meetinghouse/Town Hall:** An 18<sup>th</sup> century building that doesn't meet the town's 21<sup>st</sup> century office and meeting space needs. A workable plan and 2/3rds voter approval for funding are needed. Ron Jaeger, 495-3618, [rjaeger@gsinet.net](mailto:rjaeger@gsinet.net)

**Historic Family Farms and Agricultural Landscapes, statewide:** The trend of dramatic loss in cultivated acreage and challenges facing family farms will require strong creative efforts to help maintain historic buildings and traditional landscapes throughout the state. Beverly Thomas, 224-2281 [bt@nhpreservation.org](mailto:bt@nhpreservation.org),

**Brown Company House, Berlin** Believed to be the oldest wood frame building in the city and a key part of the history of mills and logging in Berlin; needed repairs are a big challenge for non-profit owner Tri-County CAP.: Sandra Patrick 752-7001; [sandypatrick@tccap.org](mailto:sandypatrick@tccap.org)
